

Ministry with Priests through Parish Ministry

The Oblate Sisters support the vocation and ministry of the Priest by assisting him in his ministry to the people of his parish. Sisters serve as Parish Directors of Religious Education or Pastoral Ministers. They may coordinate the religious education of a parish and assist in catechist formation.

Oblate Sisters also support priests in their parish ministry by teaching adults...

by visiting the sick in hospitals...

by working with youth...

and by taking the Holy Eucharist to the homebound.
